

Aomori Tourism Facilities Promoting COVID-19 Countermeasures

Facility Name :

- Staff thoroughly conduct daily health checks, wear masks, and disinfect their hands.
- Facility interiors are regularly ventilated, cleaned, and disinfected thoroughly.
- Considerations are taken to maintain a proper amount of distance between people.
- We ask for visitors with symptoms such as a fever to refrain from coming to the facility.

Aomori Tourism Facilities Promoting COVID-19 Countermeasures are working hard to make independent efforts by tourism companies to implement COVID-19 policies more visible. We hope to create an environment where tourists can be at ease when using the facilities.
